Interpretive Caveats

Use of this computer-generated report requires a complete understanding of the Hopkins Verbal Learning Test-Revised (HVLTR) and its interpretation, applications, and limitations as presented in the HVLTR Professional Manual and the HVLTR/BVMT-R Professional Manual Supplement. This report contains raw and standardized scores from the HVLTR. Users should refer to the HVLTR Professional Manual and the HVLTR/BVMT-R Professional Manual Supplement for guidelines on the interpretation of this report. Users also should refer to the Professional Manual for information about the psychometric characteristics of the HVLTR.

This report is only one source of information about the individual being evaluated. No clinical decisions should be based solely on the information contained in this report. The results contained in this report should be integrated with other sources of information when making decisions about this examinee.

This report is confidential and is intended for use by qualified professionals who have sufficient knowledge of psychometric testing and the HVLTR. Release of this report should be governed by the American Psychological Associations *Ethical Principles of Psychologists and Code of Conduct*, as well as state and federal law.
